Pilot Project - GUIDELINES

1. Agree to operate as a Pilot Project in three constituent Conferences (TVRAA Central, TVRAA Southeast and Huron-Perth) with the understanding that if the details are not too onerous, we adopt the model and change the Constitution. The Pilot will be for one or two years at the discretion of WOSSAA's Legislative Assembly.
2. Implement a rotation for hosting WOSSAA among the three constituent Conferences, based on the number of participating schools in that classification.
3. Championships become four team tournaments in basketball, volleyball, hockey and soccer. Each of the three Conferences would get one entry to the WOSSAA Championship, while the fourth entry would go to the host Conference. If a Conference does not have a second team in a particular classification, the second entry would go to the Conference with the most participating schools.
4. If any one of the three constituent Conferences are not represented in a certain classification, the Championship becomes a one game contest to determine the OFSAA representative, or the WOSSAA Champion in the case of Junior Championships.
5. If any two of the three constituent Conferences are not represented, the lone Conference shall determine the OFSAA representative.
6. Should there only be representatives to WOSSAA from one Conference, no Championship will be held. The Conference Champion will be declared the WOSSAA representative to OFSAA. A WOSSAA plaque will be presented to the Senior Champion. There will be no games at the Junior level since there is no Junior representation to OFSAA.
