- Admission: $2 for students $5 for parents
  *** Please remind your parents there is a gate fee. Some parents get upset about having to pay.**

School Information:

As this is a regular school day for the WCI and CASS, please avoid our hallways. The balcony in the gym is an acceptable location for teams to congregate at WCI and the bleachers at CASS suffices for their gym set-up. The gym will be closed after semi-final #2 until 1:30 p.m. Both cafeterias will be open for use if need be. There are a lot of eating options within walking distance of WCI and a quite a few spots near CASS are a short drive away. Food information can easily be provided from the convenor. Also, please note parking is limited at WCI and cannot be guaranteed. There are a lot of local parking lots that have municipal restrictions attached. The west parking lot is your best bet at CASS.
